

Shuttle Bus

Greensborough College has a code of behaviour that all students must abide by whilst travelling on buses.

Students are expected to:

- stand quietly without calling out or shouting
- stand well back from the bus until it stops
- take responsibility for their own behaviour
- treat other people and their possessions with respect
- follow the bus driver's directions without argument
- not interfere with bus property, equipment, shelters and signs by marking or damaging them in anyway
- show their bus pass upon request
- wait until the bus stops before standing to get off
